

## **Cristo Rey Philadelphia High School - COVID Logistics**

*As of 9/13/21*

Cristo Rey Philadelphia High School has required all students, faculty and staff to be fully-vaccinated. Today, 100% of the faculty and staff are fully-vaccinated, 99% of the student body has received at least one vaccine dose, and 1% of students have been granted an approved exemption. All students, faculty, staff and visitors are required to wear a mask in the school building.

Below are the procedures the school will follow for fully-vaccinated individuals and those with an approved exemption to continue to mitigate risk and ensure the safety our of entire community:

- **Fully-Vaccinated**
  - No mandatory COVID testing
  - Will not have to quarantine unless they exhibit symptoms or test positive for COVID
  - May participate in athletics, extracurriculars, dances and Prom
  - No virtual school option (even if quarantining due to exposure)
  - More offerings for work placements
  
- **Approved Exemption (not vaccinated)**
  - Required weekly COVID testing at the school
  - 10-day quarantine is required if exposed, displaying symptoms, and/or test positive for COVID
  - No virtual school option (even if quarantining due to exposure)
  - No participation in athletics, extracurriculars
  - Lunch will be served in a separate space
  - Work placements will be limited

*\*All of the above procedures are subject to change as conditions, guidelines and regulations change.*
